ah, how glorious!
the young leaves, the green leaves
glittering in the sunshine

Because the students who have attended
Belden during her long and fruitful tenure
have felt her sincerity and her genuine
kindness and will miss her

Because she meets each day with a smile,
an understanding glance, and an
encouraging word

Because she stirs warm feelings in the hearts
of students, faculty, and personnel

Because we owe her more than we can repay

We proudly dedicate
The 1974 Rebel
to
MRS. LOTTIE ARMSTRONG

Because of her concern for the students, her
willingness to help them at any time, and
her understanding of their problems

Because of her patience and her dedication
to her work

Because of her ideas and her ideals
implanted into the lives of her students

Because we appreciate her devoted service

We, the members of the 1974 Rebel Staff,
gratefully dedicate this annual to our
teacher and friend

PRINCIPAL'S MESSAGE

This has indeed been a rewarding year. We have made great strides in many areas of endeavor: seeking new avenues of learning, striving for excellence in our academic program, improving our physical facilities, demonstrating a deep sense of understanding and brotherhood, while searching constantly for truth and for the real values in life.

I trust that each student at Belden has gained, during the course of this year, a zeal for continued mental, social, and spiritual growth and that each of you will accept and meet the many challenges of the future.

To each member of our staff and of our student body goes my deep gratitude for your countless contributions to our every accomplishment and achievement. My association with you will always be cherished; and my aspirations, hopes and expectations for our school can be realized through the continued cooperation, interest, and support of you and our dedicated parents, patrons, and friends.

"A MESSAGE TO THE STUDENTS"

I am sure students realize that they are in the process of acquiring the ability to respond adequately to a situation which may or may not have been previously encountered. Since you are in a learning situation, do not place a low value on yourself and overlook powers that could easily be brought into action for great and useful living. Do not deflate yourself to the point of failure before you begin. Every wise student likes to lift himself, wake up, and live his best. It is not wise to live by unnecessary handicaps on the inside.

It is very important to be a good talker, however, it is more important to be a good listener. Good listeners are rare, where as good talkers are common. The good listener knows when to talk and when to stop talking. This is an art difficult to learn. The words we utter and the language we speak may not sound as good to the other person as to the one speaking.

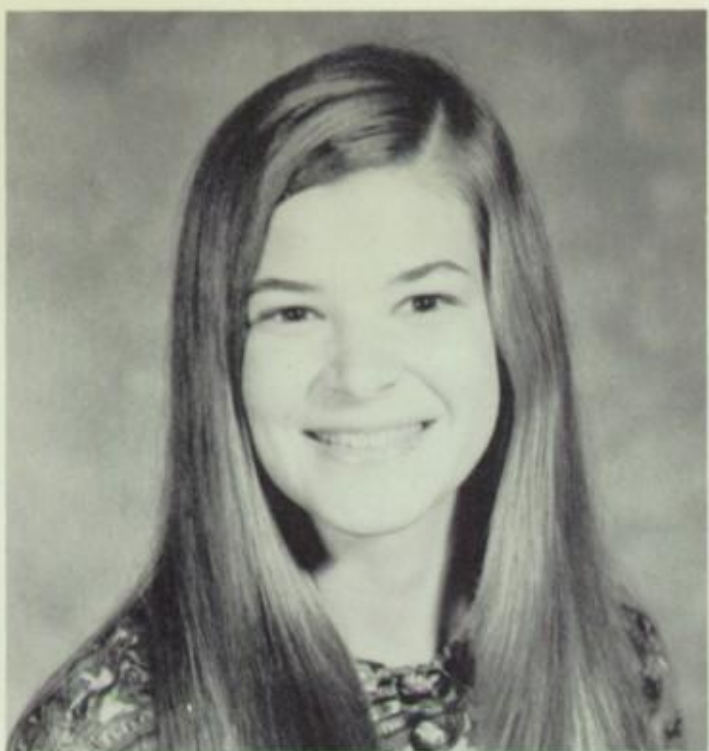

Let us remember, "To every thing there is a season, and a time to every purpose under the heaven," Ecclesiastes 3:1.

success.

Take Time to do charity . . . It is the key
to heaven.

As you look through the pages of this edition of the "Rebel," may it bring back memories of classmates, friendships, teachers, and the everyday events that took place at Belden.

As editor of the "Rebel," I would like to thank Mrs. Schumpert, our sponsor, Janet Jones, Business Manager, and the rest of the "Rebel" Staff for their cooperation and help.

Sincerely yours,

Sherry Robinson

"Into my heart's treasury I slipped a coin
That time cannot take nor a thief purloin . . .
Oh, better than the minting of a gold-crowned king
Is the safe-kept memory of a lovely thing."
